“MEET THE PROF”

Prof. Kiyokazu Agata
Kyoto University Global Center of Excellence, Japan

23.03. 2009 | 16:00 h

Zoological Institute, Am Botanischen Garten 1-4, Room 417

In the first of a series of “Meet the Prof.” activities, Prof. Agata will give a brief introduction to research in Japan under the Cluster of Excellence (CoE) Programme “Formation of a strategic base for biodiversity and evolutionary research: from genome to ecosystem”. He will then introduce his efforts to promote a new stream of biodiversity research to PhD students in the CoE at the Kyoto University, and be open to questions of all sorts.

For information on the Education Programme of the Kyoto Cluster of Excellence see: <http://ethol.zool.kyoto-u.ac.jp/coe/eng/kyoiku.html>

Contact: Prof. T. Bosch, Zoological Institute, CAU

www.isos.uni-kiel.de

“Meet the Prof.” events are intended to network young researchers at all stages (Bachelors to PhD) with top-level international scientists visiting Kiel. They provide a platform for personal interactions with key players in science and an opportunity to gain insights into education and research activities, newly developing programmes as well as job opportunities.

The events are open to all interested participants.
