

# “MEET THE PROF.”

as part of the Symposium “Seafloor Mineral Resources” from 18<sup>th</sup> - 20<sup>th</sup> March 2013 in Kiel

Monday, 18<sup>th</sup> March | 17:15h

**Mark Hannington**

“I will speak to your group about the resource industry and how an “economic geologist” ended up spending so much time at sea.”

**Lawrence Cathles**

My Message: “Find a situation in which your vocation is your avocation.”

Tuesday, 19<sup>th</sup> March | 17:15h

**Cindy van Dover**

“A hundred years from now, we will be judged on environmental sensitivity of commercial resource development in the deep sea. Your work now and in the near future will inform this judgement.”

**Samantha Smith**

... implements norms for corporate social responsibility at Nautilus Minerals.

## Venue: Steigenberger Conti-Hansa, Kiel

“Meet the prof” events are intended to network young researchers with top-level international scientists visiting Kiel. They provide a platform for personal interactions with key players in science and an opportunity to gain insights into education and research activities, newly developing programmes as well as job opportunities.

The event is open to all interested participants.
