

PhD PLENARY MEETING

All PhD Candidates in Kiel Marine Sciences (GEOMAR & CAU)

31st October 2013 | 16:00 hrs

Großer Konferenzraum (large conference room)

GEOMAR westshore

We invite all doctoral candidates - whether registered at the ISOS or not - to a joint plenary meeting.

Topics:

- News and discussion from the ISOS (Avan Antia)
- Report from the ISOS PhD Representatives (Christina Roth and Erik van Doorn)
- GEOMAR DocTeam introduces itself (Allanah Paul, David-Wilhelm Poggemann)
- Open discussion from the PhD Candidates; the good, the bad and wishes for the future
- Election of new ISOS PhD Representatives (one or more each from GEOMAR and CAU)
- Other topics on demand
