Barbecue

18.06.2013 | 16:30 h

GEOMAR Eastshore, Cafeteria

Everyone is welcome to join in this open social event jointly organized by ISOS with PhD representatives in Kiel Marine Sciences.

Meet your fellow marine scientists and enjoy food and drinks at the riverbank of the Schwentine. The first 100 sausages are provided! Contributions to a buffet are welcome.

The BBQ takes place directly after the ISOS "Meet the Alumni" Event.
